Liaisons ^{11th Season}

For our 11th season, we wanted to highlight the relationships that are crucial to music history. Composers, like all artists, are encouraged by their friends and colleagues, challenged by their rivals, and inspired by their lovers. This season, we celebrate these dynamic and often complicated liaisons, brought to life by extraordinary musicians in beautiful Sonoma. We can't wait to share all this with you in July!

Festival Schedule

Saturday, July 12 | Hanna Center Auditorium

2:30 PM Blattner Series Lecture
